

Now it's time to go inside Foodworx. Both Kira and Sarah think the best item on the menu is being able to customize your sandwich or Panini.

Personal pizzas, wraps, salads, and sandwiches are a must have at Foodworx!

Foodworx's outdoor seating is perfect to enjoy San Diego's sunshine!

Pepper Canyon Apartments is another housing complex. Similar to a forest, one can easily get lost with all the multiple stairways and paths. This will be the first place you can meet many of your friends who may just become friends for life!

Hope you enjoyed this tour of Sixth College. Here at Sixth we aim to prepare our students to become effective citizens of the 21st century — innovative, interconnected and aware.

Sixth College

Citizens for the 21st Century

We begin our tour at the Hub. Located in Pepper Canyon Hall. You can visit the Hub for any academic advising question or student affair issues.

This tour brought to you by Out-of-State and International Student Outreach. Visit <http://nonresidentinfo.ucsd.edu/> for more info.

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.
-Martin Luther King, Jr.

Now we hit the first housing complex called Matthews Apartments. Part of this house complex is devoted towards the Multicultural Living and Learning Community's (MCLLC). Students who are interested in promoting diversity and social justice at Sixth, UCSD, and in the surrounding community are encouraged to apply. The MCLLC has provided opportunities for residents to work with Student Promoted Access Center for Education and Services (SPACES) and has collaborated with UCSD's Cultural Centers to coordinate and promote programs focused on student activism.

"Campy Snoopy" are Sixth College res halls. Trees and a communal lawn make it the perfect area to play Frisbee, have a picnic, or read a book. The Dogg House lounge host Sixth College yearly Chocolate Festival, Kuncocshun, and Spirit of the Masters.

We are now inside the Hub. Sixth College has won the golden shoe many times in the past six years and we pride in ourselves for keeping the tradition going. Also here are the posters from all the major events Sixth College has hosted. From Conan O'Brien day to Winter gamefest, Sixth prides itself as a leader in creative events.

Tucked away in the forest is Outback Adventures. From backpacking through Joshua Tree National Park to snorkeling La Jolla Cove, this is the central location to book weekend trips to fulfill the adventurous spirit of every student. You can also rent wetsuits, sleeping bags, and any other camping and outdoor gear at a discounted price. The mission of Outback Adventures is to provide opportunities for challenge, leadership, community and environmental responsibility through adventure experience. Don't miss out!

Right next to Pepper Canyon Hall is the Visual Arts building. You can find new art pieces by students at every corner.

Immediately behind the Visual Arts building and Pepper Canyon Hall is a luscious Eucalyptus forest. Rumor has it that it is the best location to watch squirrels and birds. There might even be a rope swing!!
